3 3:01 p.m.

4 CHAIR CARTER: Good afternoon.

5 Welcome to the Board of Police Commissioners'
6 weekly meeting. My name is Lisa Carter, Chair for the
7 Commission.

8 At this time, I'm going to ask that we all,
9 in remembrance of --

10 VICE-CHAIR BELL: Hayes.

11 CHAIR CARTER: Thank you.

12 -- Director Scott Hayes, who was in an
13 accident this past week, we're going to have a moment
14 of silence, please. Thank you.

15 Thank you. At this time, I'm going to ask
16 that Vice-Chair Bell do the invocation, please -- I'm
17 sorry. Go ahead.

18 VICE-CHAIR BELL: You're fine. Let us pray.

19 Heavenly Father, we thank you for another
20 blessed and rewarding day. We thank you for this
21 opportunity to come before you as a Board. We pray for
22 our board members. We pray for our Police Department
23 under Chief Craig. We pray, too, for our Mayor in the
24 City of Detroit, Heavenly Father.

25 We heard that we need a blessing from you, as

1 people say, we need a word from the Lord. We just lift
2 up you. We lift up our citizens. We lift up those who
3 are in need, those who are in trouble. Those who are
4 blessed should share their blessing with others,
5 Heavenly Father.

6 We appreciate all the love and fellowship
7 that we have in the City. It was a blessing to be at
8 the State of the City on Tuesday night. We heard a
9 word, a visionary for this City, a visionary of
10 leadership, a collective body in terms of people coming
11 together over 2,000 strong. We thank you for this
12 opportunity as Board of Police Commission.

13 We pray as we move forward that we brew in
14 unity and in collective spirit. We come to you in
15 Jesus' name. Let us all say --

16 BOARD MEMBERS: Amen.

17 CHAIR CARTER: Thank you, Commissioner Bell.

18 At this time I'm going to ask that
19 Attorney Bernard call the roll, please.

20 MS. BERNARD: Okay. Thank you,
21 Madam Chairwoman.

22 Willie E. Bell?

23 VICE-CHAIR BELL: Present.

24 MS. BERNARD: Elizabeth Brooks?

25 COMMISSIONER BROOKS: Present.

1 MS. BERNARD: Willie E. Burton?
2 VICE-CHAIR BELL: Present.
3 MS. BERNARD: Reginald Crawford?
4 COMMISSIONER CRAWFORD: Present.
5 MS. BERNARD: Eva Dewaelshe?
6 COMMISSIONER DEWAELSHE: Present.
7 MS. BERNARD: Conrad Mallett, Junior?
8 COMMISSIONER MALLETT: Here.
9 MS. BERNARD: Ricardo R. Moore?
10 COMMISSIONER MOORE: Present.
11 MS. BERNARD: Derrick Sanders.
12 COMMISSIONER SANDERS: Present.
13 MS. BERNARD: Richard Shelby.
14 COMMISSIONER SHELBY: Present.
15 MS. BERNARD: Madam Chairperson,
16 Bishop Edgar Vann, III has asked to be excused. You
17 have a quorum of ten.
18 CHAIR CARTER: Thank you. At this time, I'd
19 like to introduce --
20 DEPUTY CHIEF FITZGERALD1: Deputy Chief,
21 Charles Fitzgerald.
22 CHAIR CARTER: It's Chief Fitzgerald?
23 DEPUTY CHIEF FITZGERALD1: Yes, from the
24 Detective Bureau, sitting in for the Chief.
25 MS. BERNARD: Thank you, sir. Is there

1 anyone else from your staff that you would like to
2 introduce as well?

3 DEPUTY CHIEF FITZGERALD1: Yeah, I've got
4 Captain Hope is in the back and Captain Chambers and
5 you'll be hearing from Lieutenant Simms shortly.

6 CHAIR CARTER: All right. Thank you, sir.

7 And, Ms. Bernard, could you please introduce
8 the rest of the Board Staff?

9 MS. BERNARD: Yes, Madam chairperson.
10 George Anthony is excused. Gail Oxendine is excused.
11 Pamela Davis-Drake is present in the first seat right
12 there, the Chief Investigator. Robert Brown, the
13 Administrative Assistant is here, conducting -- helping
14 the recorder, who is, today, Sergeant Alan Quinn and
15 Mona Storm, who is our court reporter from Hanson Court
16 Reporting. That completes our introductions,
17 Madam Chairperson.

18 CHAIR CARTER: Thank you. Attorney Bernard.

19 At this time, Commissioners, you have before
20 you the agenda for Thursday, February 25th. Is there a
21 motion to approve the agenda?

22 COMMISSIONER CRAWFORD: So move.

23 COMMISSIONER DEWAELSHE: Support.

24 CHAIR CARTER: It's been moved that we
25 support the agenda. Those in favor?

1 BOARD MEMBERS: Aye.

2 CHAIR CARTER: Those opposed?

3 Motion carries.

4 At this time, Commissioners, you have before
5 you the minutes from Thursday, February the 18th. Is
6 there a motion to approve the minutes?

7 COMMISSIONER MOORE: So move.

8 COMMISSIONER DEWAELSHE: Support.

9 CHAIR CARTER: It's been moved and supported
10 that we approve the minutes from February 18th, 2016.
11 Is there any discussion?

12 Those in favor?

13 BOARD MEMBERS: Aye.

14 CHAIR CARTER: Those opposed?

15 The motion carries. At this time, Item 9 on
16 the agenda, the Chairperson's report.

17 This week -- this past week, we all had the
18 opportunity to attend -- although all of us weren't
19 there -- to attend the State of the City address and I
20 must say that I'm inspired by the work that has been
21 done and really inspired by the stories that were told
22 by the Mayor of the City of Detroit. And I was
23 particularly happy about just our involvement in the
24 process.

25 And it's been three years coming that we

1 actually got acknowledged at the meeting. That had not
2 happened before since this Board has been convened. So
3 I was very pleased with that this week. And many of
4 you attended and I'm sure you probably felt the same
5 way, included; so we're happy about that.

6 The other thing, the second thing that I want
7 to talk about, earlier today we had a meeting with
8 Second Deputy Chief Washington regarding towing. So,
9 coming down the pipeline in a few weeks, we're going to
10 be getting some information about towing. They're in
11 the process of approving applications for the tow
12 companies so we are going to get an update.

13 Attorney Bernard's going to be putting us
14 together some information so that we're informed when
15 we have to make some decisions regarding the towing, at
16 least for the Police Department. And that concludes my
17 report for this week.

18 Okay. At this time, we're going to have the
19 report from OCI, Chief Investigator Drake. Thank you,
20 ma'am.

21 CHIEF INVESTIGATOR DRAKE: Good afternoon,
22 everyone.

23 BOARD MEMBERS: Good afternoon.

24 CHIEF INVESTIGATOR DRAKE: For the record,
25 Pamela Davis-Drake, Chief Investigator.

1 I'd like to, I guess, begin by acknowledging,
2 I have two staff present, I'd like to introduce them.
3 If it pleases the Board, it is Investigator
4 Carolyn Nichols from the Office of the Chief
5 Investigator and also Supervising Investigator
6 Abdullah Nelson, also from the Office of the Chief
7 Investigator. So they've been attending the meetings
8 and they need to be acknowledged for all the good work
9 that they do.

10 CHAIR CARTER: Absolutely. Thank you, ma'am.
11 Thank you for coming.

12 CHIEF INVESTIGATOR DRAKE: All right. Our
13 current statistics, as of today, Thursday,
14 February 25th, 2016, we have a total of 137 cases.
15 Seven cases have either been submitted to myself or to
16 the supervisor for review and pending closure and we
17 have no cases over 90 days.

18 I'll give you a quick update on the build-out
19 at Headquarters here. The build-out is underway.
20 Phase One is underway. I'm told that the first two
21 teams, the team that is currently occupying the Seventh
22 Floor in the fire side, Fire Department side, will be
23 able to move into the suite, probably, Monday and as
24 well as the folks that are on the sixth floor. We have
25 a team there as well.

1 Still waiting on the furniture to come for
2 the team that's currently in the Board's office, and
3 that's going to be a couple of weeks, from my
4 understanding. So I'll keep you posted on that. But
5 it is underway, it's moving very quickly. And, again,
6 everyone has been very accommodating so we appreciate
7 it. And I, again, thank the Board for assisting us
8 last week.

9 All right. Our statistics for the month of
10 January 2016, the monthly count of complaints, 91,
11 which represents a 21 percent increase, actually, from
12 last year at this time. Year to date, at the end of
13 January 2016, the Office of the Chief Investigator had
14 157 open investigations, 91 cases that were closed --
15 or I'm sorry -- 91 cases filed and 107 cases closed.

16 We received 91 cases that the -- of the 91
17 cases filed in January, 38 percent involved unknown
18 officers. Of the alleged known units involving leading
19 in complaints were 6 percent -- or Sixth Precinct,
20 12 percent; 12th Precinct at 10 percent; and the
21 Ninth Precinct at 6 percent.

22 The 91 cases filed in January involved 159
23 allegations. The leading areas of concern were, as
24 they normally are, 28 percent demeanor and procedure at
25 24 percent -- those are standard as being, usually, the

1 highest in allegations -- service, 12 percent and force
2 at 9 percent. We had 107 cases that were closed in
3 January and they involved allegations where the
4 findings were as follows:

5 35 percent were not sustained, 17 percent
6 were exonerated, there were 15 percent were unfounded
7 and 12 percent were sustained. Of the leading areas of
8 concern in 107 cases that were closed, procedure and
9 demeanor, again, were the top; 35 percent for
10 procedure, 26 percent for demeanor, service, 9 percent,
11 and force at 8 percent.

12 And you all do have, also, a summary of cases
13 that were closed and allegations in your packets as
14 well as complaints for unknown officers; you also have
15 that in your packets. And, also, you should have
16 received this week -- I think it was this week, I sent
17 you the allegations and the findings from Disciplinary.
18 So I hope everyone did receive that and you had the
19 opportunity to review it. It was a yearlong, the
20 entire year, for all the cases that we've handled that
21 have been sustained, with sustained findings through
22 the Office of the Chief Investigator.

23 And the commanding officers in the
24 Disciplinary administration did provide those reports
25 to us and we did rectify all of those so you should

1 have them for the entire year. We're going to do those
2 every two months. It's a little behind. When we close
3 a case out in January, it takes a while for
4 Disciplinary to receive a case and to process it. So
5 we want to make sure that they have plenty of time to
6 process those cases.

7 So the cases for January, we won't request
8 that report until March. And that should give them
9 adequate time.

10 Okay. Are there any questions?

11 CHAIR CARTER: Commissioners, any questions
12 for Chief Investigator Drake?

13 COMMISSIONER MOORE: Through the Chair.

14 CHAIR CARTER: Commissioner.

15 COMMISSIONER MOORE: Chief Drake, if there is
16 an issue with a complaint that a citizen doesn't like
17 the results --

18 CHIEF INVESTIGATOR DRAKE: Uh-huh.

19 COMMISSIONER MOORE: -- what is the process
20 to complain about it?

21 CHIEF INVESTIGATOR DRAKE: To appeal?

22 COMMISSIONER MOORE: Appeal.

23 CHIEF INVESTIGATOR DRAKE: Yeah. We have a
24 very detailed appeal process. As a matter of fact, I'm
25 in the process of getting that together. I'll have

1 that for you for tomorrow and I'll send it out to
2 everyone.

3 But every citizen has the right to appeal a
4 complaint. It goes through, first, the Citizens
5 Complaint Committee of the board and they review the
6 file to determine whether or not it is something that
7 needs to go further.

8 If there is a decision made for it to go
9 before the full board, then it then goes to the full
10 board. So, yeah, we do have a very detailed process
11 and I will make sure you have that tomorrow.

12 COMMISSIONER MOORE: Thank you, ma'am. And
13 do we have a contact number so a citizen can call you
14 to speak or --

15 CHIEF INVESTIGATOR DRAKE: To -- they can
16 always call the main number; someone's always manning
17 that from 8:00 to 4:00. And that number is
18 (313) 596-2499.

19 COMMISSIONER MOORE: Thank you, ma'am.

20 CHIEF INVESTIGATOR DRAKE: You are more than
21 welcome.

22 CHAIR CARTER: Commissioner Crawford?

23 COMMISSIONER CRAWFORD: Madam Chair, yes,
24 ma'am.

25 Chief Drake, I received your appeal process

1 via e-mail, I think it was a couple weeks back or three
2 weeks ago -- three weeks ago and I want to thank you
3 for that and read it, in terms of the appeal process
4 for complaints.

5 Also, too, what is disturbing to me is the 21
6 percent increase in complaints. I will definitely be
7 so glad when this Detroit Police Department gets the
8 body cams. It's been documented in some of the other
9 cities, complaints have decreased by 70 percent, use of
10 force has -- I'm sorry, decreased by 70 percent, use of
11 force has decreased by, some, 80 and 90 percent in some
12 of these other cities. It is disturbing to see a 21
13 percent increase; that's kind of a red flag for me.

14 Also, too, in terms of the move for OCI, I
15 would welcome a walk-through once the office is open,
16 the furniture is in there so I can, you know, just look
17 and make sure that everything seems to be in place.
18 And, if you need anything, let us know, the
19 commissioners also. You can still occupy my space
20 because I know it's needed so you can continue to squat
21 there.

22 As soon as we can get this resolved, and I
23 think you stated last week it will probably be a year
24 of so, we'll still be out of -- the commissioners will
25 be out of our offices. But, again, you know, for the

1 sake of fiscal responsibility, it is fiscally sound to
2 do that this time; that's my opinion anyway, as a
3 commissioner. Thank you.

4 CHIEF INVESTIGATOR DRAKE: Okay. Thank you.
5 I do want to respond to both of those.

6 You will have, once this modification is made
7 and the team that is currently in the Board's office
8 that's occupying the Board's office right now moves
9 out, there will be additional spaces for board members.

10 Also, just keep in mind that the -- we have
11 also blocked off from 12:00 to 6:00 on Thursdays for
12 the Board to be in the conference room if they need it;
13 that space is certainly yours. And we're -- we are
14 squatting in this space at this time. But there is --
15 we will make every accommodation necessary if you need
16 space.

17 COMMISSIONER CRAWFORD: Yes, ma'am.

18 CHIEF INVESTIGATOR DRAKE: Absolutely.

19 COMMISSIONER CRAWFORD: And, also, as a
20 follow-up, too, I want to thank you for the -- I guess
21 the spreadsheet or the data for the previous year, in
22 terms of all of the cases that were sustained.

23 CHIEF INVESTIGATOR DRAKE: That was a joint
24 effort.

25 COMMISSIONER CRAWFORD: Yes, ma'am. I want

1 to thank you and your staff and all the investigator.

2 CHIEF INVESTIGATOR DRAKE: And also the --
3 yeah.

4 COMMISSIONER CRAWFORD: And I believe it was
5 Internal Affairs as well.

6 CHIEF INVESTIGATOR DRAKE: No, that was
7 through Disciplinary administration.

8 COMMISSIONER CRAWFORD: Disciplinary?

9 CHIEF INVESTIGATOR DRAKE: Yes.

10 COMMISSIONER CRAWFORD: Yes, ma'am.

11 CHIEF INVESTIGATOR DRAKE: Commander Sims and
12 her team.

13 COMMISSIONER CRAWFORD: And I await, as I
14 know all the other Commissioners await the information
15 coming from Internal Affairs. Discipline, in terms of
16 there -- I guess you would call it -- annual in terms
17 of the actions that were taken against via discipline,
18 just in terms of just the numbers of officers or things
19 that have occurred in the last year or so.

20 CHIEF INVESTIGATOR DRAKE: Okay. Has that
21 been formally -- that request been formally made to
22 them?

23 COMMISSIONER CRAWFORD: Yes, ma'am.

24 CHIEF INVESTIGATOR DRAKE: Okay.

25 COMMISSIONER CRAWFORD: I think three weeks

1 ago you referenced the fact that they were working on a
2 major FOIA or something like that.

3 CHIEF INVESTIGATOR DRAKE: That was for us.

4 COMMISSIONER CRAWFORD: Oh, for you?

5 CHIEF INVESTIGATOR DRAKE: They were getting
6 information for us together but I don't know if a
7 formal request had been made to Internal Affairs but I
8 will certainly pass this on to the powers at be.

9 COMMISSIONER CRAWFORD: But, also -- yes,
10 ma'am, in the past, too, we did receive one a couple
11 months back, two or three months back, that was a
12 spreadsheets from Internal Affairs which was from --

13 CHIEF INVESTIGATOR DRAKE: That was our
14 spreadsheet, the one that you --

15 COMMISSIONER CRAWFORD: From Commander --

16 CHIEF INVESTIGATOR DRAKE: Commander Sims.

17 COMMISSIONER CRAWFORD: Came through
18 Commander Sims?

19 CHIEF INVESTIGATOR DRAKE: Yes.

20 COMMISSIONER CRAWFORD: Yes, ma'am. Okay.

21 CHIEF INVESTIGATOR DRAKE: That was the
22 spreadsheet that you requested for sustained cases
23 through the Office of the Chief Investigator.

24 COMMISSIONER CRAWFORD: Yes, ma'am.

25 CHIEF INVESTIGATOR DRAKE: Yep. And that's

1 what you just got; you got the year for those cases.

2 COMMISSIONER CRAWFORD: Yes, ma'am.

3 CHIEF INVESTIGATOR DRAKE: But I will make
4 sure I pass that information along. I know that
5 Captain Chambers, also, is here so I'm sure he heard
6 that request.

7 COMMISSIONER CRAWFORD: Yes, ma'am.

8 CHIEF INVESTIGATOR DRAKE: All right.

9 COMMISSIONER CRAWFORD: All right. Thank you
10 very much, ma'am.

11 CHIEF INVESTIGATOR DRAKE: All right. And,
12 also, I do want to address the comment about the
13 21 percent increase. For the last year, pretty -- it's
14 been pretty consistent that that number has actually
15 decreased.

16 COMMISSIONER CRAWFORD: Yes, ma'am.

17 CHIEF INVESTIGATOR DRAKE: The overall
18 numbers. There -- it -- I know the Chief hates when I
19 say this, but oftentimes, our cases are seasonal. When
20 the weather gets warmer, our caseload increases. When
21 the weather gets cooler and colder, then the cases
22 decrease. But keep in mind we have had a very mild
23 winter. That's all I'm saying.

24 I just think we should keep in mind that this
25 may -- it's -- I doubt it will be a trend but let's

1 keep an eye on it. It's not something to necessarily
2 alert us, at this point, because the numbers have
3 consistently been getting lower.

4 And you'll see that. I'm finishing up the
5 annual report and you'll be able to see that, very
6 clearly, how the numbers from the -- for the last seven
7 or eight years have significantly been reduced. So
8 we're on the right trend. This could just be an
9 anomaly, so I do want to keep an eye on it.

10 Obviously, as you stated, sir, I agree with
11 you, it's something to be aware of and to keep an eye
12 on but it may just be an anomaly. Okay?

13 COMMISSIONER CRAWFORD: Yes, ma'am.

14 CHIEF INVESTIGATOR DRAKE: All right.

15 COMMISSIONER CRAWFORD: Well, when you say
16 "the weather", I kind of think, well, do we need to
17 issue travel advisories now in the City of Detroit?

18 So thank you.

19 CHIEF INVESTIGATOR DRAKE: Okay. Not a
20 problem.

21 CHAIR CARTER: Any other questions,
22 Commissioners?

23 VICE-CHAIR BELL: Madam Chair?

24 CHAIR CARTER: Commissioner Bell.

25 VICE-CHAIR BELL: I just want to -- first of

1 all, I want to commend Chief Drake for doing an
2 outstanding job, as always.

3 CHIEF INVESTIGATOR DRAKE: Thank you, sir.

4 VICE-CHAIR BELL: Your report is always on
5 point and very thorough. I'd like to make a request
6 for our community meeting in March. I would hope that,
7 perhaps, your office could have some pamphlets
8 available --

9 CHIEF INVESTIGATOR DRAKE: Sure.

10 VICE-CHAIR BELL: -- just going into the
11 Hispanic community. And is there anything we can do as
12 far as bilingual information, though; could we do
13 something like that on those pamphlets?

14 Because I attended a couple forums that are
15 hosted by Michigan United in terms of -- and that's
16 overall some of the consensus is that we have a
17 language barrier and that's why they was not reporting,
18 interactions. So, perhaps, we can reassure, maybe even
19 do a little brief PowerPoint, to talk about our role in
20 the community. I think that would be quite positive,
21 if we move towards 2016 -- it's sad, in terms of
22 Commissioner Dewaelsh's concern -- in making sure that
23 all people are included in terms of there should be no
24 barrier.

25 I know that's not the case but I want to make

1 sure that our office is reaching out a little bit more
2 in terms of that dialogue, you know.

3 CHIEF INVESTIGATOR DRAKE: Yes, sir. We are
4 so on the same page. I actually just had this
5 conversation with Senior Investigator Rosalia Madrigal.

6 VICE-CHAIR BELL: Okay.

7 CHIEF INVESTIGATOR DRAKE: She is one of the
8 people that helped put all of these wonderful reports
9 together for you, these statistical reports. She is
10 also from the Hispanic community.

11 VICE-CHAIR BELL: Right.

12 CHIEF INVESTIGATOR DRAKE: And she is fluent,
13 obviously, in Spanish. And we talked about -- just
14 recently, within the last week or so, about putting our
15 pamphlet -- making that bilingual --

16 VICE-CHAIR BELL: Okay.

17 CHIEF INVESTIGATOR DRAKE: -- so that it
18 would be conducive to the needs of the Hispanic
19 community as well. And I will talk to her about a
20 presentation, perhaps, in Spanish that would be helpful
21 for the citizens when we go to the -- southwest
22 Detroit.

23 COMMISSIONER DEWAELSHE: So Madam Chair, if I
24 may?

25 CHAIR CARTER: Yes.

1 COMMISSIONER DEWAELSHE: Yes, I know that
2 Robert, Mr. Brown, has been working with
3 Maria Carmen Munoz who is the Operations Manager at
4 LA SED and he -- she's already going to be translating
5 some one-page, two-page fliers. So, if you have any
6 materials that could be done, you know, one or two
7 pages, they could probably do it in time for the
8 meeting --

9 CHIEF INVESTIGATOR DRAKE: That would be
10 wonderful.

11 COMMISSIONER DEWAELSHE: -- March 10th.

12 CHIEF INVESTIGATOR DRAKE: I will get that to
13 Mr. Brown and he can pass that on; I'll do that
14 tomorrow.

15 COMMISSIONER DEWAELSHE: And, in terms of
16 having the presentation in Spanish and English, maybe
17 that's something that Mr. Brown could talk with
18 Ms. Munoz about to see if it can be done.

19 MR. BROWN: Uh-huh.

20 COMMISSIONER DEWAELSHE: Thank you.

21 CHAIR CARTER: Any other questions?

22 Thank you.

23 Thank you, ma'am.

24 CHIEF INVESTIGATOR DRAKE: Thank you.

25 CHAIR CARTER: Okay.

1 Deputy Chief Fitzgerald?

2 DEPUTY CHIEF FITZGERALD: Yes?

3 CHAIR CARTER: The floor is yours.

4 DEPUTY CHIEF FITZGERALD: Thank you, Madam
5 Chair.

6 Real quickly, the Chief sends his regards.
7 He has back-to-back speaking engagements. So,
8 unfortunately, you're all stuck with me today.

9 First and foremost, you know, and with a
10 heavy heart, you had mentioned earlier that we did lose
11 Director Hayes in a car accident. There's visitation
12 tonight from 5:00 to 8:00 at the Michigan Memorial
13 Funeral Home, located at 30895 West Huron River Drive,
14 Flat Rock, Michigan.

15 And there will be -- Director Hayes will be
16 lying in state tomorrow morning at 10:00 a.m. followed
17 by a Catholic service at 11:00 a.m., same location;
18 Michigan Memorial Funeral Home, 30895 West Huron River
19 Drive, in Flat Rock.

20 The hard working men and women of the Detroit
21 Police Department have just been doing a bang-up job,
22 high visibility. Once again, the response time is
23 down, right around that 14 number, 14-minute mark.
24 Crime is -- we had a bad weekend last weekend but, all
25 in all, it's trending down still so -- which is good.

1 Lastly, today is the final day for the
2 Sergeant's assessment. So I would imagine the local
3 taverns downtown will be filled up once they're
4 finished and then the Lieutenants start their process
5 to be processed tomorrow. So we're excited for them.
6 A minor mishap of an elevator but, other than that,
7 things have been going well.

8 And that's all for the Chief.

9 CHAIR CARTER: Any questions for
10 Deputy Chief Fitzgerald, Commissioners?

11 VICE-CHAIR BELL: Madam Chair?

12 CHAIR CARTER: Um-hmm.

13 VICE-CHAIR BELL: I'd like to have Deputy
14 Chief Washington speak to the forum that was held here
15 yesterday, in terms of the American Heart Association.
16 And he can give us a brief overview. I attended. It
17 was very interesting, in terms of the health issue and
18 the forum itself. And so I just wanted to --

19 DEPUTY CHIEF WASHINGTON: Thank you, sir.

20 Celia Washington. And I do appreciate the
21 Commissioner for supporting yesterday as well as
22 Linda Bernard. Yesterday was one of the -- I think
23 it's the third Lunch & Learn that we have sponsored as
24 part of the DPD Fit. Yesterday was particularly hosted
25 by the American Heart Association, who we've partnered

1 with.

2 Roop Raj was the moderator. AC Stair did the
3 welcome, and Chief, even after he had to attend a
4 funeral, came in to speak to the group. But it was
5 very, very helpful. We had -- the panelists consisted
6 of two heart attack survivors who just didn't look --
7 if there is a look -- didn't look like people who would
8 be suffering from heart disease. And there was a
9 nutritionist.

10 And I think the biggest take-away for me was
11 the effects of stress and how toxins are released into
12 the body. You could be doing all the right things and
13 there is no certain look. And I'm sure Commissioner
14 Mallet sees this firsthand. There's no certain lack
15 for people that suffer from that.

16 That's just one of three, actually, in the
17 month of March -- and I appreciate the opportunity to
18 mention this -- we're going to be sponsoring one for
19 orthopedics. And, as you know, many of our officers
20 suffer from lower back and knee and hip issues because
21 of the weight of the belt. So we're going to be
22 partnering with DMC. We're going to have doctors
23 coming to talk to us about orthopedic health.

24 VICE-CHAIR BELL: Thank you.

25 CHAIR CARTER: Thank you. And when you say

1 "the belt", you mean the gun belt?

2 DEPUTY CHIEF WASHINGTON: The gun belt, yes.

3 CHAIR CARTER: Yes, ma'am.

4 DEPUTY CHIEF WASHINGTON: Thank you.

5 COMMISSIONER CRAWFORD: Yes. Through the
6 Chair on another subject.

7 Thank you, Chief Washington, for the
8 information on the ruling from Judge Nancy Edmondson,
9 the federal judge.

10 DEPUTY CHIEF WASHINGTON: Thank you, sir.
11 And I appreciate you bringing that up last week.

12 COMMISSIONER CRAWFORD: Yes, ma'am.

13 DEPUTY CHIEF WASHINGTON: Because, even
14 though we are somewhat divorced from the Animal Control
15 business, as you know, there has to be a formal
16 recommendation brought before City Council before that
17 actual transfer has happened. To my knowledge, that
18 hasn't. But we are -- Dr. El-Sayed is -- is the
19 Director.

20 COMMISSIONER CRAWFORD: Yes, ma'am.

21 DEPUTY CHIEF WASHINGTON: And as you see
22 there -- and thank you again for bringing that up --
23 all the Animal Control inspectors and officers have
24 been directed to stand down.

25 COMMISSIONER CRAWFORD: Yes, ma'am. Thank

1 you very much.

2 DEPUTY CHIEF WASHINGTON: Thank you, sir.

3 COMMISSIONER MOORE: Through the Chair?

4 CHAIR CARTER: Commissioner Moore.

5 COMMISSIONER MOORE: How is the officer that
6 had the asthma attack or --

7 DEPUTY CHIEF FITZGERALD: She's doing better.
8 A combination of an asthma attack and a panic attack,
9 most likely.

10 COMMISSIONER MOORE: Thank you.

11 CHAIR CARTER: All right. At this time, if
12 there are no more questions or comments, Captain Hope
13 is going to come forward, highly recommended, with a
14 presentation regarding Black History Month. We hear
15 you put on a heck of a show.

16 CAPTAIN HOPE: Okay.

17 CHAIR CARTER: That's what we heard.

18 CAPTAIN HOPE: All right. Well, it is truly
19 an honor to be here today. And thank you so much for
20 my accolades on my little story-telling but I must say
21 they were to children. The story was to children. So,
22 if you guys can go back in the day and give me just a
23 little bit of your -- your childhood.

24 There's tidbits of information for Black
25 History. And one of the things we really want to

1 recognize and we really didn't know about is how Black
2 History Month came about. February. How did all this
3 happen? So what I did, I just put something together
4 for the children and to give them tidbits of
5 information and try to read it as a bedtime story, in
6 hopes that they would grasp the information. So here
7 we go:

8 Black history. The history of Black History
9 Month. Black History Month, also called
10 African-American History. This event originally began
11 as our Negro History Week in 1926. It took place
12 during the second week of February because it coincided
13 with the birthdates of Frederick Douglass and
14 Abraham Lincoln. A Harvard-trained historian by the
15 name of Carter Woodson is credited with the creation of
16 Negro History Week.

17 In 1976, the Bicentennial of the United
18 States, President Gerald Ford expanded the week into a
19 full month. He said the country needed to seize the
20 opportunity to honor the two often-neglected
21 accomplishments of Black Americans in every area of
22 endeavor throughout our history. So let's share about
23 five reasons why we should celebrate Black History
24 Month.

25 First: Celebrating Black History Month

1 honors the historic leaders of the black community,
2 such as Martin Luther King. And heroes like him
3 deserve honor for the sacrifice and suffering they
4 endured for the sake of racial equality. Celebrating
5 Black History month allows us to pause and to remember
6 their stories so that we can commemorate their
7 achievements.

8 Two: Black History Month for us to become
9 better stewards of the privileges that we have gained.
10 For example, if we don't tell our stories, the next
11 generation will forget as well as ourselves. Like
12 telling the stories of the Tuskegee airmen to children
13 who had never learned of such events and the men and
14 women who took part in them. Students, we must not
15 take for granted of the rights that many people before
16 them sweated, bled and died to secure. Apart from an
17 awareness of the past, we can never appreciate the
18 blessings we enjoy in the present.

19 Three: Black History Month provides an
20 opportunity to highlight the best of Black History
21 Culture. Black History Month provides a chance to
22 focus on different aspects of African-Americans. We
23 can applaud Madam C. J. Walker as the first self-made
24 black female millionaire in the U.S. We can glance our
25 eyes across the verses of poetry by Phillis Wheatley,

1 the first black African-American poet and first
2 African-American female to publish a book. And we can
3 groove to the soulful jazz and somber blues music
4 composed by the likes of Miles Davis and
5 Robert Johnson. The Black History Month spurs us to
6 speak out and seek out and lift up the best in
7 African-American accomplishments.

8 And, four: Celebrating Black History Month
9 creates an awareness for all people. When we observe
10 Black History Month, we give citizens of all races the
11 opportunity to learn about our past and of people of
12 which they may have little awareness.

13 And, five: Celebrating Black History Month
14 reminds us all that Black History is our history. The
15 impact African-Americans have made on this country is
16 part of our collective consciousness. Contemplating
17 Black History draws people of every race into grand and
18 diverse stories in this nation.

19 And then, do you all know the first black
20 female Chief of Police?

21 I'll give you a piece of candy if you can
22 answer that.

23 So in 2002, Ella Bully-Cummings was the first
24 appointed black female Assistant Chief of Police. And
25 in 2004 she became appointed to the first

1 African-American female Chief of Police. We'll close
2 on that.

3 CHAIR CARTER: Captain, we might have
4 questions or comments that you -- before you run off.

5 CAPTAIN HOPE: Yes, I'm running off.

6 COMMISSIONER MOORE: Through the Chair, are
7 you on tour with that?

8 CAPTAIN HOPE: You know, it was such an honor
9 to be asked to do some tidbits of information for the
10 children. So we're always stopping in our schedules to
11 do that and it's -- it's a pleasure.

12 COMMISSIONER MOORE: That was great. I
13 enjoyed it.

14 CAPTAIN HOPE: Thank you.

15 COMMISSIONER BROOKS: Yes. Captain Hope.

16 CAPTAIN HOPE: Yes, ma'am?

17 COMMISSIONER BROOKS: I'm not a child but I
18 thoroughly enjoyed that.

19 CAPTAIN HOPE: Thank you.

20 COMMISSIONER BROOKS: I learned information
21 that I did not know. I learned dates that I did not
22 know. And I think you did a wonderful job and it would
23 be so wonderful if you would take that to the Charles
24 H. Wright Museum for the children's room. We would
25 appreciate it.

1 CAPTAIN HOPE: Yes, ma'am, I will do that.

2 COMMISSIONER BROOKS: Thank you.

3 CAPTAIN HOPE: Thank you so much.

4 COMMISSIONER CRAWFORD: Madam Chair.

5 CHAIR CARTER: Commissioner Crawford.

6 COMMISSIONER CRAWFORD: Yes, ma'am.

7 Captain Hope, thank you very much.

8 And also thank you to Dr. Carter G. Woodson,
9 his book, The Miseducation of the Negro. It's a great
10 book, it's a recommend reading. It should be -- and it
11 should be a required reading, also, too. But he was --
12 I consider him the father of Black History Month,
13 Dr. Carter G. Woodson.

14 Thank you very much, though, for that
15 presentation --

16 CAPTAIN HOPE: Thank you.

17 COMMISSIONER CRAWFORD: -- and presentation.

18 CAPTAIN HOPE: Thank you so much.

19 VICE-CHAIR BELL: Madam Chair, I just want to
20 say --

21 CHAIR CARTER: Captain.

22 VICE-CHAIR BELL: -- to Captain Hope, thank
23 you. We spoke briefly this morning and I conveyed to
24 you that we would be very receptive to whatever you
25 presented to this Board, as far as Black History Month.

1 Because, as Commissioner Brooks indicated, and I recall
2 a long time ago in middle school or elementary school,
3 I was part of Negro History Club and, you know, even
4 today it's debated about how they teach Black History
5 in the public school system in Detroit.

6 And I thought I knew a whole lot about Black
7 History and as I took courses later on in college. But
8 the bottom line is that my wife come from Mississippi,
9 a predominant black school and they embedded Black
10 History all the way through high school, in terms of
11 generation to generation, they really did an excellent
12 job. And I know sometime we made that transition to
13 the urban environment, we forgot a whole lot of our
14 history. And you just reminded us, in terms of sharing
15 that experience.

16 I'd just like you to say briefly, I know you
17 as a -- knew you as a working officer in Narcotics.
18 Could you give this Board a little background on your
19 resume, please.

20 CAPTAIN HOPE: Oh, my goodness.

21 VICE-CHAIR BELL: I think it's rather unique,
22 in terms of her experience, in growing as a Captain
23 now.

24 But just give us a little bit of background;
25 I would appreciate it.

1 CAPTAIN HOPE: Just briefly, Narcotics was a
2 big part of my career; I did that for many, many, many
3 years. I worked DEA as well. I worked interdiction, I
4 hopped the planes, I did surveillance, a lot of
5 translating, had a lot of high-profile cases, put a lot
6 of people into custody. I became one of the major
7 kingpins here in Covert Operations here during my tour
8 at DEA.

9 Subsequently, I also worked -- one of the
10 first females there at Gang Squad. I did Gang Squad
11 for approximately five years, first female to have a
12 crew. From there, I was appointed to a task to clean
13 the streets up from warrants. And myself, along with
14 Sergeant Chappa from Armed Robbery developed this
15 taskforce which is known to you as today as the FAST
16 team. We did very, very well in that, very successful.

17 And I was promoted from there from a sergeant
18 to a lieutenant and from there I did my tour at the
19 12th Precinct as the officer in charge of midnight
20 shift. And there I think I stayed for 14 years as a
21 lieutenant. So, overall, I've served the City for 36
22 years.

23 I've been with DPD coming up on my 29th year
24 of service. I've worked for, pretty much, all the
25 chiefs, administratively, in and out and we've just

1 been truly, truly handling our business, trying to be
2 community servants, trying to piecemeal the City back
3 and giving everyone hope, as my name says. And I think
4 that we're -- we're making our mark on that. And it's
5 truly a blessing to be here after serving 29 years;
6 that's a long time.

7 And when I look back and since we are in
8 Black History, you think -- I started with Chief Hart.
9 And Chief Hart was there, and Bannum next door.
10 Ella -- Chief Ella Bully was a sergeant. I was a young
11 PO, coming on. I actually worked for Jimmy Younger.
12 And so I got training of the best of the best, I
13 believe. And just coming up the ranks and -- and
14 seeing everyone that's here today making their mark, we
15 had great friendship and we still do. And it's just a
16 blessing for everybody to still be together trying to
17 make this a number one city and which I believe that we
18 are.

19 So thank you.

20 CHAIR CARTER: Commissioner Crawford?

21 COMMISSIONER CRAWFORD: Keep hope alive.

22 CHAIR CARTER: Oh, yeah, keep hope alive.

23 Thank you, Captain Hope.

24 At this time, we're going to have the
25 presentation by Civil Rights Department.

1 LIEUTENANT SIMMS: Good afternoon.

2 BOARD MEMBERS: Good afternoon.

3 LIEUTENANT SIMMS: Let me get my laptop here.

4 Okay. There we are. Okay. Good afternoon,
5 again, Board, DC. My name's William Simms. I'm the
6 Lieutenant assigned to Civil Rights and I'm here to
7 present an overview of our command.

8 Civil Rights is led by Commander Eric Ewing
9 and Captain John Certa and we have an audit manager,
10 Ms. Angie Harvey. I'll begin with some background.

11 Consent Decree issued on July 18th, 2003, the
12 U.S. District Court entered two consent decrees filed
13 by the Department of Justice, Conditions of Confinement
14 in DPD Holding Cells and Use of Force, Arrest and
15 Witness Detention.

16 Fast-forward eleven years, on August 25th,
17 2014, the Department entered into a transition
18 agreement with the Department of Justice, thereby
19 eliminating third-party oversight. This agreement is
20 expected to conclude March 2nd, 2016.

21 Our compliance team: The compliance team
22 ensures that compliance tasks are completed in a timely
23 manner. They coordinate compliance and new processes.
24 They facilitate the provision of data and documents to
25 DPD employees. They also assign compliance tasks to

1 DPD personnel and they're responsible for the
2 collection of information required to carry out the
3 provisions of the agreement and the release of
4 information to the DOJ.

5 Audits: Why do we audit? We audit for
6 accountability, which is mandated by department policy,
7 and to show that we are in compliance. We also audit
8 to measure effectiveness, which is an indicator of the
9 need to revise, create or retrain on our policies and
10 procedures.

11 What we audit: We audit uses of force and
12 injuries. Those include detainee injuries, allegations
13 of use of force, uses of force and instances in which
14 an officer draws a firearm and acquires a target.

15 We audit arrests, we look at probable cause
16 and timely arraignment. We also audit employee
17 performance and we look at things such as vehicle
18 pursuits, citizens' complaints and stop and frisk.

19 We also conduct department-wide environmental
20 audits. In those audits, we look at the work
21 environment, accountability, compliance items and the
22 morale of that command. We do that in order to see the
23 things that are going well and those things that could
24 be improved.

25 Are there any questions?

1 CHAIR CARTER: Commissioners, do you have any
2 questions for Lieutenant Simms?

3 Commissioner?

4 COMMISSIONER MALLETT: Through the Chair,
5 Lieutenant, can you remind us how we dealt with the
6 conditions of confinement? I think the taxpayers
7 actually would be pleased that we figure that out.

8 MS. BERNARD: Microphone, Mr. Mallet.

9 COMMISSIONER MALLETT: Go ahead.

10 LIEUTENANT SIMMS: Okay. Okay. Yes, we
11 dealt with the condition -- conditions of confinement
12 by actually -- well, let me preface it by saying that
13 we were in compliance prior to moving over to the State
14 housing our -- our detainees.

15 CHAIR CARTER: Detainees.

16 LIEUTENANT SIMMS: -- detainees at the
17 Michigan Department of Corrections. So that occurred
18 in September of 2013. But that --

19 COMMISSIONER MALLETT: But prior to?

20 LIEUTENANT SIMMS: Prior to?

21 COMMISSIONER MALLETT: Prior to '13.

22 LIEUTENANT SIMMS: Prior to '13, we housed
23 the prisoners in our individual holding cells but we
24 made great leaps and bounds to make sure those holding
25 cells were suitable and up to code at that time.

1 COMMISSIONER MALLETT: Oh, I see. Okay. But
2 with the transfer, though, to the Michigan Department
3 of Corrections, though, we've got a much more clear
4 point of detain -- of where persons are detained and
5 the conditions are much more predictable in terms of
6 the -- the maintenance and all of those kinds of things
7 as it relates to --

8 LIEUTENANT SIMMS: Absolutely, absolutely,
9 yes. There was no -- no, push-back at all at that
10 point.

11 CHAIR CARTER: Any other questions,
12 Commissioners?

13 Thank you, Lieutenant Simms.

14 LIEUTENANT SIMMS: Thank you.

15 CHAIR CARTER: All right. Under Standing
16 Committee Reports, we have the bylaws amendment. And
17 that was from the policy committee?

18 COMMISSIONER MALLETT: Yes, ma'am.

19 CHAIR CARTER: Commissioner Mallet?

20 COMMISSIONER MALLETT: So, Commissioners,
21 you've had this in front of you now for a number of
22 weeks. Occasionally, I think, particularly, on a day
23 like this, where everybody seems to be on their
24 absolutely either best behavior or asleep. It doesn't
25 seem like this particular policy would be required.

1 Nevertheless, I think that the -- it is the kind of
2 thing, Madam Chair, that it's a good reference point.
3 There's nothing about it particularly provocative. It
4 is a formal reminder that we're carrying out the
5 people's business here, that there are expectations,
6 particularly as it relates to the management of the
7 meeting by the Chairperson that, in this case, she be
8 allowed to manage this meeting as she sees fit, as long
9 as it meets the expectations that we are all bound by.

10 So I would ask that -- I offer this amendment
11 up, ask -- and move that it be adopted by the Board of
12 Police Commissioners.

13 COMMISSIONER DEWAELSHE: Support.

14 COMMISSIONER SANDERS: Support.

15 CHAIR CARTER: It's been moved and supported
16 that we approve the Bylaws Amendment. Is there any
17 discussion?

18 Those in favor?

19 BOARD MEMBERS: Aye.

20 COMMISSIONER BURTON: Those opposed?

21 The motion carries.

22 The bylaws will be amended to reflect. Thank
23 you.

24 COMMISSIONER MALLETT: Thank you.

25 CHAIR CARTER: Thank you, Commissioner

1 Mallet.

2 COMMISSIONER MALLETT: You're welcome.

3 CHAIR CARTER: Under New Business, we have a
4 Certificate of Recognition that Commissioner Bell is
5 going to read into the record.

6 VICE-CHAIR BELL: Madam Chair, it is a
7 privilege to honor to lift up today a Certificate of
8 Recognition to Gil Hill, the former President of the
9 Detroit City Council. And on behalf of the Board of
10 Police Commissioners, speaking for the citizens of
11 Detroit, award the Certificate of Recognition to
12 Gilbert, Gil Hill, former president of Detroit City
13 Council, retired Detroit Police Commander one of our
14 top homicide detectives in the history of Detroit, DPD
15 who gained recognition of a Beverly Hills Cop, but he
16 was a Detroit cop, in I, II and III. And you know the
17 role he played, Inspector Todd, Eddie Murphy, the
18 legendary Eddie Murphy as Axel Foley.

19 So I was going to make a request of his
20 family but we're going to have to lift up Gil Hill in
21 our prayers. As you well know, he was in ICU and he's
22 been undergoing some serious health challenges in
23 recent years and -- but a family member would be
24 presenting this to him. And he's one of those officers
25 hired in -- Commissioner Mallet, I think in the '50s,

1 '54, '55. He's one of those trailblazers that I looked
2 up to on this department and he was, really, one of the
3 top investigators, legendary in all sense of the
4 meaning, not standing Hollywood. I assumed that's why
5 they picked him, in terms of his representation as far
6 as investigation. He was involved with some
7 high-profile cases. And he was assisting to the
8 Atlanta child killing down in Atlanta; he went down
9 there.

10 But, basically, if there was a lesson plan,
11 in terms of how to investigate and how to interact with
12 people, Gil Hill had that people skills to initiate
13 that.

14 So I'm going to ask the Board to approve the
15 Certificate of Recognition, a modest token of his
16 career and his endeavors. And I know, when he was on
17 Council, he lobbied extensively on behalf of officers
18 in the City of Detroit in terms of that type of agenda.

19 So, once again, I just wanted you to pray for
20 him and his family and lift him up, in terms of Gil
21 Hill. So that's my motion.

22 COMMISSIONER MALLETT: Support.

23 VICE-CHAIR BELL: A second.

24 CHAIR CARTER: It's been moved and supported
25 that we adopt the Certificate of Recognition for Gil --

1 Gilbert, Gil Hill, former City Council President. Is
2 there any discussion?

3 Those in favor?

4 BOARD MEMBERS: Aye.

5 CHAIR CARTER: Those opposed?

6 The motion carries.

7 VICE-CHAIR BELL: Thank you, Madam Chair.

8 COMMISSIONER SANDERS: Madam Chair.

9 CHAIR CARTER: Yes?

10 COMMISSIONER SANDERS: I'd like to discuss,
11 real quickly, to all the commissioners, this
12 information sheet that we have, if it's possible -- I
13 don't know, do we need to make a motion on it?

14 But can we have this e-mailed to us so we can
15 know what's in it before we get here? Because, of some
16 items that happened last week, I think that would be a
17 great idea to have it e-mailed to us.

18 CHAIR CARTER: Okay.

19 COMMISSIONER SANDERS: Do I need to make a
20 motion?

21 CHAIR CARTER: I don't think we need a
22 motion.

23 Ms. Attorney Bernard, can we make that
24 happen?

25 MS. BERNARD: No problem.

1 CHAIR CARTER: Okay.

2 MS. BERNARD: Thank you.

3 CHAIR CARTER: Thank you. You have the
4 equipment to do so?

5 MS. BERNARD: Yeah -- well, when we have it
6 as an e-mail, sometimes it's just like -- when I have
7 it as an e-mail, I'll be happy to send it. Or else, I
8 just won't put it in the package.

9 CHAIR CARTER: Okay. Thank you.

10 COMMISSIONER CRAWFORD: Madam Chair, and I
11 concur, too, and it's not an issue about e-mailing it.
12 But also, too, for the sake of transparency and truth,
13 I'll leave everyone the last words of Marion Barry, the
14 former Mayor of Washington, DC, before he was arrested.
15 He says, "I've been set up, I've been set up." So we
16 don't want that to occur again, too, so we -- I concur
17 with that.

18 CHAIR CARTER: Okay.

19 MS. BERNARD: No problem.

20 CHAIR CARTER: Thank you, Commissioner
21 Sanders.

22 Is there any other old business?

23 Any old business?

24 Under announcements, our next meeting will be
25 Thursday, March 3rd, 2016 at 3:00 p.m. here at the

1 Detroit Public Safety Headquarters, located at
2 1301 Third Street, the Michigan Room. Our next Board
3 of Police Commissioner Community meeting will be
4 March 10th, 2016 at La Sed Senior Center, located at
5 7150 West Vernor Street in Detroit.

6 At this time, we'll take oral communications
7 from the audience. Please give your name and limit
8 your comments to two minutes, please.

9 MR. CONYERS: Good afternoon.

10 CHAIR CARTER: Good afternoon.

11 MR. CONYERS: Ian Conyers, concerned citizen.

12 I'm here today --

13 MS. BERNARD: Your name, please, for the
14 record.

15 MR. CONYERS: Ian Conyers.

16 MS. BERNARD: Oh, Ian?

17 MR. CONYERS: Yes.

18 I'm here today just to briefly discuss with
19 the Detroit Police Commission the headline of the
20 Detroit News, which very concerning. This is in
21 regards to the shot-spotter equipment that's been used
22 in 48205, which is the Osborn neighborhood. It helps
23 our brave women and men of law enforcement detect gun
24 shots and send patrols directly to it.

25 I wanted the Police Commission to be aware

1 that this technology is at risk of being taken away by
2 the vendor. They've been donating it to our city for
3 the past year. And, with those, they have brought a
4 presentation and a proposal directly to the Detroit
5 City Council, which is expanding on the pilot that
6 they've had in three square miles and saying 19 square
7 miles in which they've used Detroit crime data to say
8 may be the highest place of gun shooting across the
9 country.

10 I wanted to commend Chief Craig on the Green
11 Light Program and also the incredible job they've been
12 doing with Ceasefire that the Mayor mentioned. And I
13 think it's exciting that we are starting to put the
14 pieces together of what outstanding law enforcement
15 looks like. The Mayor mentioned Boston and New York
16 City. This is a piece of puzzle in both of those
17 cities and in 88 other cities and I believe that it's a
18 technology that can really be used to drive outcomes.

19 And our Detroit Police Department have been
20 driven out shooting about 24 percent, along with the
21 other operations they're using, in terms of the
22 Ceasefire program and others. They just announced
23 there's \$50 million in bonds that have been discovered.
24 Many of those are going to the police. And I'm excited
25 to get them some more technology and skill sets that

1 they'll be able to use to fight crime and fight violent
2 shooting crime across our city.

3 And I would ask that you look into how that
4 money, \$50 million, is being allocated and how we can
5 use that to advance our 21st Century policing
6 capabilities across the City.

7 And that is my two minutes. Thank you.

8 CHAIR CARTER: Thank you, sir.

9 COMMISSIONER CRAWFORD: Madam?

10 CHAIR CARTER: Commissioner Crawford.

11 COMMISSIONER MALLETT: Madam Chair.

12 Yes, sir, I'm very familiar with the
13 shot spotter. There's some research on it and it went
14 into Saginaw a few years ago. I -- I just want to say,
15 also, too, I read the information that was in the media
16 today and some of the previous information and it
17 talked about the funding for the allocation of money of
18 \$1.2 million and that's just to cover 16 square miles.

19 I love the technology. I embrace technology.
20 But, also, too, more importantly, I embrace the human
21 presence. And one point -- and I don't know how many
22 police officers we could hire for \$1.2 million for a
23 year but I do know, for a fact, having been a police
24 officer for almost 40 years, the human factor of -- of
25 a police officer being a shot spotter, in other words,

1 hearing the shots and responding.

2 And that's another issue about response time,
3 too. When you talk about -- it's more important to me
4 to have police officers on the street working in the
5 community, they hear shots, they can respond. I can't
6 even begin to tell you the countless times where I was
7 on patrol, and I know some of these other former police
8 officers can tell you that, too, here at the table,
9 whereas we were down the street, around the corner. I
10 even had an instance happen right in front of me. Not
11 only did I see but I heard. So the response time was
12 even less than a minute in some cases.

13 But, in terms of the allocation of monies and
14 stuff, that is my concern. You know, I'd rather deal
15 with the human factor of having a police officer there.
16 And, even if you have shots fired and you don't have
17 the officer to respond because you don't have the
18 personnel -- we need more police officers in this
19 department and within the community of our city to make
20 sure that the citizens are safe.

21 That is my only comment. But I do understand
22 the technology and I embrace all technology. Sometimes
23 I marvel in some of this technology. But the human
24 factor, the human presence, to me, is more important.
25 Thank you.

1 MR. CONYERS: May I respond?

2 COMMISSIONER MOORE: Madam Chair?

3 CHAIR CARTER: Commissioner Moore.

4 COMMISSIONER MOORE: Yes, ma'am. To Deputy
5 Chief Fitzgerald, what is the Department's position on
6 Shot Spotter?

7 DEPUTY CHIEF FITZGERALD: I'll give you two
8 positions: My position is I love the technology, I
9 think it's amazing. You know, you can hear a gunshot
10 and you can get to an area to try to find out where it
11 is. Shot Spotter can put you within feet. We've had
12 it before it where we -- it put us right on top of,
13 unfortunately, a dead body; I mean, it is that
14 accurate.

15 Chief Craig's position is that he'd like to
16 see more working on it, he'd like to see it coupled
17 with cameras. Because we've looked at some other
18 systems that have it partnered with a camera where,
19 when the gunshot goes out, the camera spins and tilts
20 right to the incident itself. So, if he saw that, I
21 think he would be much more sold on the --

22 COMMISSIONER MOORE: So it's still in play,
23 it's just not on the front burner, so to speak?

24 DEPUTY CHIEF FITZGERALD: Yeah. It's, like
25 this gentleman said, that the vendor gave it to us for

1 a year, to try it, to sample it. I think we're at
2 about 15 months now. And the vendor probably just
3 wants to know whether we're either doing it or they'll
4 take the technology back.

5 COMMISSIONER MOORE: So it's still in play;
6 is that --

7 DEPUTY CHIEF FITZGERALD: Yes.

8 COMMISSIONER MOORE: Okay. Thanks.

9 CHAIR CARTER: Questions for the
10 Commissioners?

11 COMMISSIONER BURTON: Through the Chair, I
12 just want to say I support technology. I think it
13 would work here.

14 CHAIR CARTER: Thank you, sir.

15 MR. CONYERS: Thank you.

16 MR. BRYCE: To the honorable Board of Detroit
17 Police Commission, just let me just say good afternoon.

18 BOARD MEMBERS: Good afternoon.

19 MR. BRYCE: My name is Marcellus Bryce. I'm
20 a lobbyist and government relations consultant with
21 Capital Strategic Group based out of Lansing, Michigan.
22 And I am here today because one of our clients is
23 Detroit-based White House Nightclub located at
24 625 Shelby.

25 This past Saturday, February the 20th, around

1 1:30 to 1:40 a.m., a sergeant by the name of Scott Hall
2 from the Third Precinct came down to the White House
3 Night Club -- and I actually happened to be there to
4 witness this -- and he made allegations that the White
5 House liquor license was not valid. And he removed the
6 liquor license from the building and then began to
7 escort all of the patrons of this business out and,
8 effectively, shut down the club for the rest of the
9 evening -- well, for the rest of the morning.

10 The next day I got on the phone, I called
11 Commander Todd Bettison of the Detroit Police
12 Department who advised me to speak to Deputy Chief
13 Renee Hall. I spoke to Deputy Chief Renee Hall. She
14 investigated the matter for me and she returned with
15 the findings that the MLCC, Michigan Liquor Control
16 Commission, had sent communication to Detroit Police
17 Department to shut down this -- this nightclub, the
18 White House. And that they were --

19 She also told me that Sergeant Lightfoot
20 ordered Sergeant Hall to -- to go out and do the liquor
21 inspection and to shut the club down, and that Monday
22 morning we could go down and see the communication from
23 the MLCC.

24 Went down Tuesday morning. There was no such
25 communication from the MLCC. The Detroit Police

1 Department has not been able to show me any proof that
2 the MLCC ordered such an order. Contacted the MLCC;
3 they advised me that it was no such order ever given.

4 As of today, I have not been able to see any
5 documentation from the Detroit Police Department that
6 even reflects that the liquor license was -- was taken
7 away. The Sergeant at hand, Sergeant Scott Hall, never
8 wrote a ticket. There was never a police report done
9 on it. There is no paperwork whatsoever that shows
10 that Detroit Police ever went into this night -- this
11 establishment and took away their liquor license.

12 And so I'm really here today because I
13 believe that this is an abuse of power and I would like
14 to have this matter furthermore investigated by your
15 honorable body.

16 Sergeant Hall told me, the night of, that the
17 reason why he was taking a liquor license was because
18 the liquor license was non -- that it was not an
19 official copy of the liquor license, that it was a
20 printed copy. That, later, after it was examined by
21 other police officers in the department, was -- turned
22 out to be false as well.

23 There's been a lot of allegations on behalf
24 of my client who has suffered tremendously. He has a
25 loss of business, a loss of reputation. That night

1 alone until this incident, we can say that we know for
2 a fact he lost over \$18,000 plus in revenue.

3 CHAIR CARTER: Mr. Bryce.

4 MR. BRYCE: Yes?

5 CHAIR CARTER: Have you already filed a
6 complaint or has your client?

7 MR. BRYCE: We have filed a complaint with
8 the IG's office. We have also filed a complaint with
9 Internal Affairs. We're now filing a complaint here
10 and we also plan to file a lawsuit with the -- against
11 the City of Detroit.

12 CHAIR CARTER: Chief Investigator Drake, you
13 have received a complaint.

14 CHIEF INVESTIGATOR DRAKE: Yes.

15 CHAIR CARTER: Okay. Please follow up with
16 Mr. Bryce, please.

17 Thank you.

18 COMMISSIONER CRAWFORD: Pardon me. Through
19 the Chair, this establishment is, you said, Shelby?

20 MR. BRYCE: Yes, it's located at 625 Shelby
21 in Detroit.

22 COMMISSIONER CRAWFORD: Is it downtown?
23 Is that near Washington?

24 MR. BRYCE: Yes.

25 COMMISSIONER CRAWFORD: Okay. White House?

1 MR. BRYCE: Yes.

2 COMMISSIONER CRAWFORD: Liquor -- the
3 President hadn't been there, has he?

4 White House. Okay. Yes, sir. All right.
5 Thank you.

6 MR. BRYCE: All right. Thank you.

7 CHAIR CARTER: Thank you.

8 Any other comments or communications?

9 MS. SMITH: Bernice Smith, public relations
10 with MCS Multi Media.

11 Good afternoon Chief. Good seeing you.

12 DEPUTY CHIEF FITZGERALD: You, too.

13 MS. SMITH: Commissioners.

14 Last week, we had a discussion, which I was
15 highly upset about, mentioning qualifications of the
16 Chief. And then, like -- what would we say when the
17 women's circle -- I'm not going to tell who said it.
18 Now, I think you have a position here that needs to be
19 respected and -- are you -- you ready?

20 CHAIR CARTER: Yes, ma'am.

21 MS. SMITH: All right.

22 VICE-CHAIR BELL: Yes, ma'am.

23 MS. SMITH: I want all of you to hear it.

24 Because I'm very disappointed with the Commission
25 because of the fact that that was said in public to the

1 Chief. It was embarrassment. If it wasn't to him, it
2 was an embarrassment to me to tell that he wasn't
3 qualified for certain rules and regulations that the
4 Police Chief have.

5 In the meantime, you have other things that I
6 -- I feel as though you need to address. And, again,
7 that particular person who said it, I think they should
8 go to the Chief and have a one-on-one talk with him
9 instead of making it public because that's -- that
10 wasn't necessary.

11 The next thing, you're disrespecting your
12 members here. You have certain rules and regulations
13 that are supposed to be abided by and, when your
14 members want to say something, you cut them off and I
15 think that's disrespectful.

16 Also, I know in the beginning how the
17 election went. So, therefore, I feel as though you
18 should do your job and not have a little click together
19 where you're going to exclude certain members and not
20 let them be notified when you have meetings. These
21 things is not to be tolerated because you're adults
22 here and I feel as though whatever you have against
23 each other, you should be man or woman enough to come
24 and talk with each other in a decent way and respect
25 each other. I was taught to be respectful.

1 So, with me having the position that I have
2 now, I will be watching you and I will see how you're
3 going to work with each other in the future. You had
4 one member that's gone, I miss him like hell.

5 In the meantime, let's hope that the one who
6 takes his place will do a good job, as far as taking
7 care of the notes of this commission. I thank you for
8 your time.

9 COMMISSIONER CRAWFORD: Madam Chair.

10 CHAIR CARTER: Commissioner Crawford?

11 COMMISSIONER CRAWFORD: Yes, ma'am.

12 With all due respect, Ms. Smith, I love and
13 respect you and I welcome the oversight over the
14 oversight. However, for, I guess, clarity and truth
15 here, that, what occurred last week, there's a little
16 bit more to it and we're moving on --

17 MS. SMITH: All right.

18 VICE-CHAIR BELL: -- as we stated. Also, to
19 the -- the bylaws were amended so we're all okay with
20 that and --

21 MS. SMITH: I'm glad to hear it.

22 VICE-CHAIR BELL: And, yeah, I just want you
23 to know and the public to know and everybody --

24 MS. SMITH: Because I don't want to be
25 hearing about it and not have to write about it.

1 I thank you, again.

2 COMMISSIONER CRAWFORD: Oh, you can write
3 about it, ma'am.

4 MS. SMITH: All right.

5 COMMISSIONER CRAWFORD: We welcome --

6 MS. SMITH: I'm just telling you --

7 COMMISSIONER CRAWFORD: Yes, ma'am.

8 MS. SMITH: -- you're on the spotlight. All
9 right? All of you. You have certain members here
10 that's doing their jobs and I admire them for it but
11 then you have certain members that have a little click
12 together.

13 VICE-CHAIR BELL: Madam Chair.

14 MS. SMITH: And that's not tolerated and
15 shouldn't be tolerated.

16 All right? I thank you.

17 VICE-CHAIR BELL: Madam Chair?

18 CHAIR CARTER: Yes, sir.

19 VICE-CHAIR BELL: Thank you.

20 MS. SMITH: You have something to say, Bell?

21 VICE-CHAIR BELL: I have the mic. I just
22 want to say this: Mother Bernice, I'm not going to be
23 admonished by you or by anyone else --

24 MS. SMITH: Wait a minute. If the foot --

25 VICE-CHAIR BELL: Excuse me.

1 MS. SMITH: I'm going to listen to you.

2 VICE-CHAIR BELL: Your time is up. I'm not
3 speaking to you.

4 MS. SMITH: All right. I can sit down?

5 VICE-CHAIR BELL: Yes, ma'am.

6 MS. SMITH: All right. I'll see you after
7 the meeting.

8 VICE-CHAIR BELL: I just want to say that the
9 matter was not brought up by this body here. The Chief
10 brought the matter up. There was no public forum. But
11 the matter's been resolved with the Chief and the
12 person involved, too.

13 And the other issue, there is no place for
14 dialogue of that nature by Mother Bernice. I have a
15 great deal of respect. But, internally, we have
16 concerns but it's not to be elected by an individual
17 that's coming before this body here; I think that's
18 disrespectful. And I will speak to it every time, in
19 terms of that type of dialogue; that is not your place.

20 We are a public body and we function in a
21 certain manner. There are disagreements sometime but
22 there is no click. There is a unified Board of Police
23 Commission and we are today addressing those concerns.
24 But you do not have everybody on the same page at all
25 times that's why they have a right to express their

1 opinions, et cetera, et cetera.

2 I'm not going to sit here and allow anyone to
3 come before me to have that type of dialogue, in terms
4 of "click" and all that because we have issues and
5 concerns. Elections are elections; that's politics of
6 anybody. So I just want to say that.

7 And to you and anyone else that, all due
8 respect, there's a time and place. If you've got some
9 concern, maybe you need to take it on the side and have
10 a side bar.

11 MS. SMITH: I'll see you. I'll see you.

12 VICE-CHAIR BELL: And each Commissioner here
13 know their rights and their privilege. They are all
14 more than capable of speaking and handling their
15 business and speaking to those concerns. And I don't
16 have to speak for them. So I just want to say that, in
17 terms of a public discussion. Thank you.

18 CHAIR CARTER: Thank you, Commissioner Bell.

19 Any other comments?

20 COMMISSIONER BURTON: Through the Chair, I
21 feel like we, as a body, we shouldn't cut off our
22 seniors when they're coming before us and speaking
23 before the Board or with the Board. We should have
24 more respect and more class, especially when it comes
25 to serving the citizens of Detroit and, also, to our

1 seniors. I would like it for Mother Bernice to come
2 back up here and finish her discussion, whatever she --

3 CHAIR CARTER: She had her two minutes.

4 MS. SMITH: That's all right. I'll get them.
5 Don't worry about it. Thank you.

6 CHAIR CARTER: Anything else; any other
7 comments, communications?

8 Any other comments?

9 Is there a motion for adjournment?

10 COMMISSIONER MOORE: So move.

11 COMMISSIONER CRAWFORD: So move.

12 COMMISSIONER MOORE: Support.

13 CHAIR CARTER: It's been moved and supported
14 that we adjourn. Those in favor?

15 BOARD MEMBERS: Aye.

16 CHAIR CARTER: Those opposed?

17 Meeting is adjourned. Thank you all for
18 coming. Have a great day.

19 (Meeting was concluded at 4:08 p.m.)
